My Quran Journey

Tips for parents

Small habits that make a big difference

1

Same time, every day

Link Quran time to something daily, like after Maghrib or before bed. Routine beats long sessions.

2

Short and happy

Five to fifteen focused minutes is plenty for young children. Stop while they still want more.

3

Revise as you go

Split practice into the new lesson, recent revision and older surahs, so nothing is forgotten.

4

Use it in salah

Encourage your child to recite the surahs they know in their prayers. Using them keeps them strong.

5

Celebrate effort

Praise trying, not just finishing. A full row of stars deserves a big smile and a hug.
